Introductions

- Agenda repair
- Summary last meeting

Funding Gaps – White Paper Vapor Intrusion

- Discuss and Work on Paper
- Funds to address sites without a viable responsible party, costs that may include:
    - Source identification (soil, groundwater, and vapor investigations)
    - Protection of building occupants (design, installation, and commissioning of vapor mitigation systems)
    - Vapor mitigation operation, monitoring and maintenance costs (pre- and post-case closure)
    - Source cleanup/reduction to reduce or eliminate need for vapor mitigation.
    - Long Term Stewardship of mitigation systems

Funding Gaps – Additional Priority Gaps for further white paper development
