[1] Waste categories are defined in the Environmental Fees table on the DNR website at: Environmental Fees For Waste Sent to Wisconsin Landfills

[2] Out of State tonnage is already included in the category and total tonnages.

[3] As reported to the landfill as on the Calendar Year 2019 Waste Disposal Tonnage/Cascade Certification Report. Due to a technical issue in previous year's reports, some landfills did not supply this data on the Tonnage Cascade Certification Report.

[4] As calculated and reported to the landfill Methods vary
