2020 Pheasant Permit purchases at Richard Bong

Permit sales will **begin at 7:45am** and be done using split and labeled lanes at the entrance area.

When you approach the entrance station:

If using credit cards for permits or stickers or getting a handicapped accessible pass (this lane will take cash too)—**stay left.**

If using cash for permits or stickers (exact change preferred)—**stay right.**

$12/day during stocking
$5/day post-stocking

$7/day for youth
$1 to hunt other species

Wearing a mask during sales would be appreciated!

Do not block highway 142 and watch traffic at Entrance!

Pheasant Hunting Tips

Pheasants are stocked every day and released into appropriate huntable habitat throughout the entire park. Due to pressure from human use, birds—being mobile, will move to areas of less pressure.

That being said, some tips to improve your success:

- Hunt a variety of parking lots and hunting areas
- Try hunting a little later in the day
- Hunting is most successful with a dog, try finding a buddy to hunt with
- Birds often hide in heavy cover, consider working those areas with your dog
- Enjoy the experience and natural surroundings
