
SIXMILE · PHEASANT BRANCH CREEK WATERSHED

URBAN PRIORITY MANAGEMENT AREAS*

*The urban priority management areas were determined through a ranking procedure which considered the land uses, soils, and impervious cover characteristics of each subwatershed. Subwatersheds having more than 10% of their land area in agricultural use and/or more than 5% in vacant developing land were ranked separately. The urban priority management area ranking procedure is described in the watershed plan.

- HIGH PRIORITY SUBWATERSHED CONTAINING AGRICULTURAL AND/OR DEVELOPING LANDS
- HIGH PRIORITY SUBWATERSHED CONTAINING STABLE DEVELOPED LANDS
- HIGH PRIORITY EXISTING PROBLEM AREA

- URBAN SERVICE AREA BOUNDARY
- WATERSHED BOUNDARY & BASIN DIVIDES*
- SUBWATERSHED BOUNDARIES*

*NOT SHOWN OUTSIDE URBAN SERVICE AREA
