Subject:	Great Lakes water is not for diversion to Foxconn
Date:	Saturday, March 10, 2018 11:12:22 AM

Dear Section Chief — Water Use Wisconsin DNR,

Dear DNR,
Though my family comes from China and Taiwan, we do not support the giveaway of our natural resources to Foxconn. The Great Lakes Compact is an agreement that protects the water systems that keep our region healthy. I hope the DNR will do its public duty and prevent the disruption of our natural systems.

Sincerely,

Joyce Boyland
