Subject:	Water Diversion for Foxconn
Date:	Thursday, March 08, 2018 1:12:31 PM

Thank you for taking the time to address this issue. If Wisconsin should allow Foxconn to divert water from the Great Lakes for its new Waukesha plant, it is my opinion that stringent treatment requirements and heavy penalties for pollution, including up to revoking the right to use the Great Lakes water for a serious infraction, be added as a part of the agreement.

Thank you,
Kimberly Pecka
