Subject:	Deny Racine Diversion Application

Dear Section Chief — Water Use Wisconsin DNR,

I ask the DNR to deny the City of Racine's request for a new diversion of 7 M gpd for Foxconn's industrial use. Racine's request violates the intent of the Great Lakes Compact. which specifies largely public use: "all the Water so transferred shall be used solely for Public Water Supply Purposes within the Straddling Community." DNR should deny this application.

Sincerely,

Roy Larick
