Adam Freihoefer,

I grew up close enough to Lake Michigan to hear a fog horn from my bedroom. I spent summers playing on its beaches. I caught fish in it and, by the warmth of August, could even swim in it. The Lake isn't just a treasured resource, it's part of my heritage. Please uphold your obligations to the Great Lakes Compact by denying the application from Foxconn to divert and pollute our Lake.
Thank you,
Jed
