I read the Racine Journal Times and I OPPOSE the application for Foxconn to divert up to 7 million gallons of water a day. The lake is a lifeblood to Wisconsin and NO foreign company should be allow to pollute our wetlands and rivers that impact our environment here in SE WI. I am a Navy Disabled Veteran living in the city of Racine and cannot fathom why Walker sold this BS to residents of this State. NO, NO and NO again to allow diversion of water to a foreign company!!!
