Subject:	Please do not divert water for Foxconn
Date:	Sunday, March 11, 2018 5:16:17 PM

Please do not approve the water diversion for Foxconn.

Racine will use your majority of the water for a single, private, foreign entity, Foxconn.

This is a bad idea for all of Wisconsin.

You are supposed to conserve or responses instead of selling them all to the highest bidder.

Thank you,

Linda Burch
