

Document Upload Categories & Types

Learn about the Environmental Loans programs and find guidance at dnr.wi.gov/aid/eif.html

In the [online system](#), when you upload a new document, you must select the correct document type from the drop-down menu in the appropriate category. The DNR loan project manager may add a "other" type. Save or print this guidance and the [Document Upload Screen & Instructions \(PUB-CF-065\)](#) to view during the process.

The document types shown in **bold are required** and those submitted with the application have a checkmark (✓).
