Subject: Comment in opposition to the diversion of Lake Michigan water to Foxconn
Date: Tuesday, March 13, 2018 8:35:58 AM

I am opposed to the diversion of Lake Michigan water to Foxconn. Having so much water being consumed by 1 private party, with such a high percentage being lost to evaporation, is unacceptable. It is too high a price tag to pay for a private company that doesn't care about the environment of Wisconsin.
