Subject:	Deny Racine Diversion Application
Date:	Thursday, February 22, 2018 12:36:25 PM

Adam Freihoefer,

Hello:

I am opposed to the request for diversion submitted by the City of Racine. I believe it violates the intent of the Great Lakes Compact as the diversion is primarily for industrial as opposed to residential use. It also does not provide adequate detail as to the quality of the water that will be returned, ultimately to Lake Michigan. I urge the DNR to deny this application.
