

join the **YOUTH CONSERVATION CONGRESS**

Wisconsin students interested in the outdoors are invited to join the Youth Conservation Congress.

The purpose of the YCC program is to give young people a voice and instill a sense of ownership, civic pride and advocacy for Wisconsin's natural resources. The YCC strives to effectively engage, educate, and involve youth in the management and protection of our natural resources and foster a conservation ethic through participation in the program.

The YCC program offers opportunities for students from all backgrounds, including seasoned outdoor enthusiasts and novices alike.

Visit: <https://dnr.wi.gov/about/wcc/ycc> for an application and more information.
