**Trail Project Detailed Description**

Black River Custard LLC. (The owners of the Culver's restaurant) is planning a parking lot expansion where the existing trail is now located. The owners wish to have the trail relocated on the south end of the planned expansion. They will be (at their sole expense) providing an ATV/UTV parking area, picnic tables and landscaping adjacent to the parking area. This area will be designated specifically for OHV traffic. The landowner has requested the trail be surfaced with gravel. This is a mandatory relocation.
