Project Description Summary

The Jackson County Parks Department has received a number of complaints from Township Officials and WISDOT staff that sand, mud and gravel are being deposited on public ATV/UTV trail crossings in Jackson County. Jackson County and the Black River Area Chamber of Commerce paid for paved aprons on a crossing in 2021 and the apron eliminated deposition of material on the roadway. Jackson County requests $100,000 to pave 10 additional crossings (20 total aprons) in the first phase of the project. All crossings will be done in the Town of Brockway in phase one.

I certify that all maintenance land use agreements are on file.

These are typical of the road crossings for the project. Photos will be submitted after a busy weekend on these two crossings. These photos were taken during the period when the trails are closed.
