

Motorized Recreation Grant Application

For: (choose all that apply)

Form 8700-159 (R 02/2024)

ATV/UTV Trail Aid

Snowmobile Trail Aid

Due Date: April 15

Notice: Completion of this form is required under Wisconsin Statutes 23.09(26) and 23.33. Failure to complete this form will result in denial of financial assistance. Personally identifiable information found on this form is not intended to be used for any other purpose. The Department of Natural Resources (DNR) may provide this information to requesters as required by Wisconsin's Public Records law {ss. 19.31 – 19.39, Wis. Stats.}.

Instructions: Applications may combine more than one source of funds. They may be submitted for consideration of traditional ATV, UTV, Snowmobile and Motorized Stewardship funding. Submit one copy of all forms and attachments. See Page 2 for necessary attachments. Send applications to your [Community Services Specialist](#).

| Project Title F2 Powerline 2025 | | | | | Current Funded Miles 68.35 | New Miles (if applicable) |
| County Florence | Township 39 N | Range 18 | Section 21 | ¼ ¼ NE | ¼ SW | GPS Coordinates: Lat. 45.840903 Long. -88.253917 |

Project Description Summary

Florence County would like to rehab a portion of F2 starting at Pine River Road (45.840903,-88.253917) and ending east of the ATC power line (45.841402,-88.234057). This primary dual use, year round trail provides access to Aurora businesses, Lake Emily ATV campground, Keyes Lake, and Florence area businesses including this areas only ATV Park. This 1.14 mile project will include resurfacing 1840' of hill along with reshaping, ditching and resetting or replacing a culvert depending on condition (45.839282,-88.246572). Spring 2023 runoff took a toll on the power line hill requiring a days worth of dozer work to restore it using the existing materials. There were numerous complaints of tire slashing due to the jagged edges from the original ore bed that was used. Our plan will require the use of 540 yards of 6" thick crushed ore to cover up the jagged edged old bed and 540 yards of 6" gravel to cover the new bed. This trail section has been hard to maintain due to the lack of material present and the large ore pieces being pulled up and leaving sizable holes and pieces behind. We are asking for 80% (\$25738.62) funding from the ATV-UTV Program and the remaining 20% (\$6434.65) from the Snowmobile Program as this does provide a benefit to this dual use trail.

I certify that all maintenance land use agreements are on file.
