Trail is located on: Private property Public property Length of Easement or Landowner Use Agreement Expiration Date

Landowner Where Trail is Located Telephone Number WI DNR

What other recreational trail uses are planned for this trail? Hiking, Biking, Horse back, snowmobile If there are other Recreational uses planned, how much of the trail development/rehab. cost will be paid for by other users? RTP - \$72,104

How many miles would be affected if this project is not funded? Will this result in closure of a trail? Yes No

Is this a critical section to the overall trail system? Yes No Is there a reasonable alternative?

Does any section of this trail contain a bridge? Yes No Will this bridge require rehabilitation now or in the next few years? Yes No What is the weight of your puller & drag/grading equipment? lbs.

- Have you contacted your local DNR Water Management Specialist (WMS) regarding a permit? Is a permit needed? Will this project be located near or cross any intermittent or perennial waterway? Will this project be located near or cross any wetland? Will this project involve land disturbance – including clearing and grubbing – of 1 acre or more of land? (Less than 4/10th mile for a typical trail) DNR Storm Water Contact List

Trail Project Detailed Description Earth Armour will be applied to a 3.5 mile stretch of the Nicolet State Trail in the Town of Townsend. This application is necessary due to the proximity of State Highway 32 to the trail. In Townsend the trail runs parallel to the highway. When dust becomes air borne it creates low visibility and hazardous driving conditions for motorist.
