**Project Description Summary**  
 Lincoln County is requesting maintenance funding for an additional 1.9 miles of summer ATV/UTV TROUTE. This segment of Cinder Road was opened to ATV/UTV use through municipal code change and is unfunded. As a County Forest Gas-Tax Road, Cinder Road serves as a vital connector for multiple segments of the state-funded summer trail system and provides access to trails in adjacent counties. Because it is an existing open road, there are no development costs associated with this request. Lincoln County will oversee all maintenance activities for this funded TROUTE either directly or through a designated representative. Maintenance activities for this TROUTE will include the following: Grading; Brushing; Signing; and other approved activities as necessary.

I certify that all maintenance land use agreements are on file.
