Project Description Summary

This application is for new Snowmobile and Winter ATV/UTV maintenance miles. This trail is already established as this was a snowmobile trail approximately 15 years ago but was closed when the Bad River Reservation closed the snowmobile trail on their property. We have met with Bad River Reservation officials and they would like to open the trail back up on their property to the Bad River Casino in 2024. This section of trail goes from the intersection of Hwy 169 to Birch Hill Rd/Ashland County Line. This trail is already a summer ATV/UTV trail.

I certify that all maintenance land use agreements are on file.
