County Marinette	Township 35 N	Range 20	Section 34	¼ ¼ NW	¼ NE	GPS Coordinates: Lat. 45.286108 Long. -87.990796	

Project Description Summary

The intent of this project is to construct a permanent crossing, clear span bridge, over the Middle Inlet Creek at the location described above. The permanent crossing would replace a temporary creek crossing - timber mats. The replacement of the timber mats with a properly designed/engineered bridge will improve safety of the crossing for those utilizing the County Snowmobile trail. This trail connects the Village of Crivitz and the town of Middle Inlet.

I certify that all maintenance land use agreements are on file.

Bridge Project Detailed Description

Maximum load of the current, temporary crossing is unknown.

Upon award of a Motorized Recreational Grant, the County will work with the Wisconsin DOT to ensure a minimum of a 10 year lease easement/landuse agreement as well as an acknowledgement of County ownership of the bridge (crossing structure).

One the above has been completed, the crossing would be referred to the local DNR Water Management Specialist to initiate the permitting process as the Lower Middle Inlet Creek would require permitting for the instalation of the proposed bridge.
