### Project Description Summary

Forest County Forestry and Recreation Department would like to request funding to replace a bridge on the Lumberjack Memorial Trail-6. The LMT-6 is a state funded snowmobile trail that receives heavy traffic from riders heading from southern Forest County going north to Crandon. Swamp Creek Bridge is located within Forest County public land which is located Town of Lincoln. The bridge was poorly built with old telephone poles boards without any structural support.

2025 Update: After opening bids, the total project costs came in over budget (project total as bid was \$190,965). County is requesting additional \$23,965 in Snowmobile funds.

☒ I certify that all maintenance land use agreements are on file.

**Bridge Project Detailed Description**

This is a request to replace an existing bridge on Swamp Creek located in Lincoln Township. This bridge is located on Forest County Forest Land along the Lumberjack Memorial Trail, a state funded snowmobile trail, which has a lot of traffic during the winter season. This bridge is a necessity for users to be able to travel across the county from Wolf River State Trail to the Nicolet State Trail. This bridge is also used by public for hunting access and fishing on Swamp Creek. Without the replacement of Swamp Creek bridge failure will ultimately happen, causing loss of numerous snowmobile miles for Lumber Jack Memorial Trail Snowmobile Club.
