Program Grant Awards

| Project Sponsor | Project Name | County | DNR Reg | Regional Contact | Grant Amt (State Share) | Local Share | Project Desc |
|---|--|-------------|---------|-----------------------------------|-------------------------|----------------|--|
| BIG CEDAR LAKE PROTECTION & REHAB. DISTRICT | Big Cedar Lake P&R Navigational Aids | Washington | SE | Sara deBruijn, 414-897-5704 | \$2,004.62 | \$2,004.61 | Big Cedar Lake P&R District will utilize Recreational Boating Facilities funding to purchase 5 Rock buoys, 5 Slow No Wake buoys, 2 Keep Right buoys, 2 No Ski buoys and associated hardware. |
| BONE LAKE MANAGEMENT DISTRICT | Bone Lake Management District Harvester, Conveyor & Trailer Acquisition | Polk | NO | Patrick Anderson, 715-416-5020 | \$125,433.50 | \$125,433.50 | The Bone Lake Management District will utilize Recreational Boating Facilities funding to acquire an aquatic plant harvester, trailer and conveyor to be used on Bone Lake. |
| BUFFALO LAKE PROTECTION & REHAB DISTRICT | Buffalo Lake Protection and Rehabilitation District Navigational Aids | Marquette | NE | Jessica Terrien, 920-461-2680 | \$546.00 | \$546.00 | Buffalo Lake Protection and Rehabilitation District will utilize Recreational Boating Facilities funding to purchase the following navigational aids: 3 "no wake" and 3 mid channel buoys. |
| CALUMET COUNTY | Calumet County Stockbridge Harbor Improvements | Calumet | NE | Jessica Terrien, 920-461-2680 | \$47,000.00 | \$47,000.00 | Calumet County will utilize Recreational Boating Facilities grant funding for improvements at Stockbridge Harbor. The work will include the following: harbor seawall repair through new cable tie backs and deadmen, repair/replacement of damaged concrete and installation of drain tile. The County will also install a stairway down to the transient docking area and reseed the steep hillside for a native prairie to increase safety of launch users, staff maintenance activities and decrease runoff. |
| CHUTE LAKE P & R DISTRICT | Chute Lake Protection and Rehabilitation District Navigational Aids | Oconto | NE | Jessica Terrien, 920-461-2680 | \$558.04 | \$558.04 | Chute Lake Protection and Rehabilitation District will utilize Recreational Boating Facilities funding to purchase the following navigational aids: 2 "Rock" buoys w/lights and 1 "Slow No Wake" buoy. |
| CITY OF ASHLAND | City of Ashland Kreher Park Launch Development | Ashland | NO | Patrick Anderson, 715-416-5020 | \$1,020,000.00 | \$580,000.00 | The City of Ashland will utilize Recreational Boating Facilities funding to develop a new two bay boat launch on Lake Superior located in Kreher Park. Development will include launch ramp, boarding docks and sheet wall. |
| CITY OF DE PERE | Perkofski Dock Replacement Cost Amendment | Brown | NE | Jessica Terrien, 920-461-2680 | \$625.00 | \$1,250.00 | The City of De Pere will utilize Recreational Boating Facilities Program funding for the refurbishment of one of two transient docks located at Perkofski Boat Launch. The refurbishment includes repairing or replacing damages to the frame, replacing wood skirting, stringers and decking. |
| CITY OF FOX LAKE | City of Fox Lake Clausen Park Transient Docking | Dodge | SC | Mary L. Rothenmaier, 608-720-0121 | \$17,907.50 | \$17,907.50 | City of Fox Lake will utilize Recreational Boating Facilities funding to install 2 transient docks along the seawall at Clausen Park. The docks will each be 5'x 40' long and will each accommodate 2 boats. This project also includes installing an accessible concrete pathways (20' long x 5' wide) from the sidewalk to the docks and installing silt fencing for erosion control along the seawall. This project will enhance economic viability of the downtown Fox Lake. |
| CITY OF MENASHA | City of Menasha Jefferson Park Boat Launch Renovation | Winnebago | NE | Jessica Terrien, 920-461-2680 | \$920,000.00 | \$1,380,000.00 | The City of Menasha will utilize Recreational Boating Facilities funding for improvements at the Jefferson Park Boat Launch. The existing launch area will be relocated to the east in the park. These improvements will include: a new parking area with lighting, boat wash stations, direct access for launch traffic onto Third Street, three dual lane launch ramps, boarding docks, connecting walkways, and stormwater management features. |
| CITY OF MUSKEGO | City of Muskego Idle Isle Boat Launch Replacement | Waukesha | SE | Sara deBruijn, 414-897-5704 | \$150,000.00 | \$150,000.00 | The City of Muskego will utilize Recreational Boating Facilities funding to replace the existing launch and parking lot at their Idle Isle boat launch. |
| CITY OF NEW LONDON | City of New London Riverside Launch Overflow Parking Rehab and Transient Docking Development | Waupaca | NE | Jessica Terrien, 920-461-2680 | \$211,595.93 | \$211,595.94 | The City of New London will utilize Recreational Boating Facilities grant funding for the rehabilitation of the overflow parking area adjacent to the Riverside boat launch facility. The overflow parking area will connect to the launch by an existing pathway that will be rehabilitated as part of this project, along with the development of a new courtesy/transient docking area. |
| CITY OF WHITEHALL | Larson Park Canoe/Kayak Launch | Trempealeau | WC | Gina Keenan, 715-492-1626 | \$7,568.00 | \$7,568.00 | The City of Whitehall will utilize Recreational Boating Facilities funding to grade and remove sediment/soil and replace and grade with crushed granite to create a semi-hard surface for parking at the boat launch. They will also purchase and install an EZ Dock floating dock and kayak launch. |
| DOUGLAS COUNTY | Douglas County Mooney Boat Launch Reconstruction | Douglas | NO | Patrick Anderson, 715-416-5020 | \$102,650.00 | \$102,650.00 | Douglas County will utilize Recreational Boating Facilities funding to rehabilitate the Mooney Lake Boat Launch located on Lower Eau Claire Lake. The parking area will be re-engineered to improve safety and prevent drivers having to back around a blind corner to access the launch. |
| FOREST COUNTY | Forest County Veterans Memorial Park Boat Ramp Renovation | Forest | NO | Patrick Anderson, 715-416-5020 | \$13,750.00 | \$13,750.00 | Forest County will utilize Recreational Boating Facility funding to rehabilitate the Veterans Memorial Park Boat Ramp located on Lake Metonga. The existing metal grate launch will be replaced with concrete. |
| GOOSE LAKE WATERSHED DISTRICT | Goose Lake Harvester and Trailer Conveyor Acquisition | Adams | WC | Gina Keenan, 715-492-1626 | \$54,171.30 | \$89,448.70 | The Goose Lake Watershed District will utilize Recreational Boating Facilities funding to purchase an aquatic plant harvester and trailer conveyor. |
| JEFFERSON COUNTY | Jefferson County Kanow Park ADA Boat/Kayak Launch | Jefferson | SC | Mary L. Rothenmaier, 608-720-0121 | \$15,284.50 | \$15,284.50 | Jefferson County will utilize Recreational Boating Facilities funding to install an ADA accessible boat/kayak launch to improve stability and access to this section of the river. The launch will have a 5' x10' gangway, 10' x15' floating dock and boarding platform, and a 3/8" compacted gravel accessible pathway to the launch from the parking area. |
| LAKE KEESUS MANAGEMENT DISTRICT | Lake Keesus Management District Aquatic Plant Harvester, Conveyor & Trailer Acquisition | Waukesha | SE | Sara deBruijn, 414-897-5704 | \$154,612.50 | \$154,612.50 | Lake Keesus Management District will utilize Recreational Boating Facilities funding to purchase a new aquatic plant harvester, trailer and shore conveyor. |
| LAKE WISCONSIN ALLIANCE | Lake Wisconsin Alliance - Nav Aids 2025 | Columbia | SC | Cheryl Housley, 608-516-9560 | \$9,896.60 | \$9,896.60 | Lake Wisconsin Alliance has requested funding for navigational aids on Lake Wisconsin; 67 white with black lines buoys, and 5 Rock marker buoys. |
| LAZY LAKE MANAGEMENT DISTRICT | Lazy Lake Management District Shore Conveyor | Columbia | SC | Cheryl Housley, 608-516-9560 | \$21,800.00 | \$21,800.00 | Lazy Lake Management District will utilize Recreational Boating Facilities funding to purchase a new shore conveyor for aquatic plant harvesting operations. |
| MANITOWOC COUNTY | Manitowoc County Bullhead Lake Boarding Dock Replacement | Manitowoc | NE | Jessica Terrien, 920-461-2680 | \$16,731.66 | \$16,731.66 | Manitowoc County will utilize Recreational Boating Facilities funding to replace the existing boarding dock at Bullhead Lake Boat Launch that has reached the end of its useful life. |

Recreational Boating Facilities
Program Grant Awards

| Project Sponsor | Project Name | County | DNR Reg | Regional Contact | Grant Amt (State Share) | Local Share | Project Desc |
|-------------------------------|--|---|---------|-----------------------------------|-------------------------|-------------|--|
| RICE LAKE ASSOCIATION | Rice Lake Association Aquatic Plant Harvester, Trailer and Dump Trailer | Iron | NO | Patrick Anderson, 715-416-5020 | \$29,987.99 | \$89,970.00 | The Rice Lake Association in Iron County will utilize Recreational Boating Funds to purchase an aquatic plant harvester, trailer and dump trailer. |
| ST CROIX COUNTY | St. Croix County Pine Lake Boat Launch Improvements | St. Croix | WC | Gina Keenan, 715-492-1626 | \$87,000.00 | \$87,000.00 | St.Croix County will utilize Recreational Boating Facilities Funding to make improvements to the Pine Lake launch. This will include: replacement of the existing dock with ADA accessible dock, replacement of existing 2 vault toilettes with 2 new toilettes, new structures/storm shelter will be ADA accessible, replace existing covered park pavilion with new covered open pavilion with electricity and picnic tables, replace the existing walkway with 5-foot wide concrete sidewalk to connect the pavilion, dock, toilettes and parking lot (ADA accessible). They will also pave the gravel parking lot to add 11 parking spaces (1 ADA) and level and reset concrete ramp panels to provide safe launching of watercraft. |
| TOWN OF AINSWORTH | Town of Ainsworth Renovation of Rolling Stone Lake Launch | Langlade | NO | Patrick Anderson, 715-416-5020 | \$8,923.00 | \$16,077.00 | The Town of Ainsworth will utilize Recreational Boating Facilities grant funding for improvements at the Rolling Stone Lake Boat Launch. The work will include the following: launch ramp replacement, repairing transition from launch to parking area. |
| TOWN OF BEAR LAKE | Bear Lake Landing Improvement Project, Haugen Landing | Barron | NO | Patrick Anderson, 715-416-5020 | \$9,835.33 | \$9,835.32 | The Town of Bear Lake proposes to utilize Recreational Boating Facilities funding to replace the boat ramp at the Haugen landing on Bear Lake. The current ramp will be removed and replaced with a 12'x40' concrete ramp. Portions of the current asphalt will be saw cut, shaped and repaved to create a smooth transition between the ramp and parking area. |
| TOWN OF DUNKIRK | Town of Dunkirk Millpond Paddlecraft Launch | Dane | SC | Cheryl Housley, 608-516-9560 | \$38,750.00 | \$38,750.00 | Town of Dunkirk will utilize Recreational Boating Facilities funding to install an ADA modular floating Shoremaster paddlecraft launch above the Dunkirk Dam. This project consists of installing a concrete abutment, riprap for shoreline stabilization, a crushed limestone access path to parking lot, and new floating barrier lines in front of the spillway and intake area of the dam for safety. This project also includes a concrete accessible walkway from the ADA parking spot to the gravel pathway, a kiosk with bench, and a concrete pad for portable toilettes. |
| TOWN OF LAKE MILLS | Town of Lake Mills Lower Rock Lake Recreational Boat Launch Reconstruction | Jefferson | SC | Mary L. Rothenmaier, 608-720-0121 | \$97,535.00 | \$97,535.00 | Town of Lake Mills will utilize Recreational Boating Facilities Funding to reconstruct a 26-year-old boat launch ramp and boarding docks on Rock Lake. They will also make improvements for safety and ADA compliance to the parking lot and temporary parking areas for loading and parking. This project also includes adding rip rap for shoreline stabilization and storm water management features. |
| TOWN OF MILLTOWN | Town of Milltown Antler Lake Boat Launch Replacement | Polk | NO | Patrick Anderson, 715-416-5020 | \$24,725.00 | \$24,725.00 | The Town of Milltown will utilize Recreational Boating Facilities grant funding for improvements at the Antler Lake Boat Launch. The work will include the following: launch ramp replacement, replacing asphalt in the parking area, signage, and storm water management. |
| TOWN OF TAYCHEEDA | Town of Taycheedah Fishermans Road Launch Restroom Rehab and Parking Lot Resurfacing | Fond Du Lac | NE | Jessica Terrien, 920-461-2680 | \$95,500.00 | \$95,500.00 | The Town of Taycheedah will utilize Recreational Boating Facilities funding to replace the existing restroom facilities and resurface/strip the parking area at Fishermans Road Boat Launch. |
| TOWN OF TREGO | Town of Trego, Trego Park Boarding Dock | Washburn | NO | Patrick Anderson, 715-416-5020 | \$3,854.45 | \$3,854.44 | The Town of Trego proposes to utilize Recreational Boating Facilities funding to purchase a 40'x5' boarding dock to be placed in the Namekagon River at Trego Park. |
| TOWN OF WASHINGTON | Town of Washington Boot Lake Landing Rehabilitation | Rusk | NO | Patrick Anderson, 715-416-5020 | \$30,745.00 | \$30,745.00 | The Town of Washington will utilize Recreational Boating Facilities funding to rehabilitate the Boot Lake Boat Landing located in the Town of Washington in Rusk County. Rehabilitation includes installing a new concrete ramp, repaving and striping the parking lot, storm water management and engineering. |
| VILLAGE OF DE SOTO | Village of De Soto Boat Launch Channel Dredging | Vernon | WC | Gina Keenan, 715-492-1626 | \$62,500.00 | \$62,500.00 | The Village of De Soto will utilize Recreational Boating Facilities funding for dredging and disposal of sediments from a channel 50 feet wide going from the boat launch to the navigational channel. The sediments are being dredged to 5 feet deep. Approximately 2000 cubic yards of sediments are expected to be dredged. |
| VILLAGE OF KEWASKUM | Village of Kewaskum River Hill Park Kayak Launch Development | Washington | SE | Jessica Terrien, 920-461-2680 | \$11,981.00 | \$11,981.00 | The Village of Kewaskum will utilize Recreational Boating Facilities grant funding to install an ADA compliant kayak launch at River Hill Park. |
| VILLAGE OF PEWAUKEE | Pewaukee Lake Patrol Navigational Aids | Waukesha | SE | Sara deBruijn, 414-897-5704 | \$3,112.50 | \$3,112.50 | Village of Pewaukee will utilize Recreational Boating Facilities funding to purchase 25 Slow No Wake buoys. |
| VILLAGE OF SIREN | Clear Lake Park Boarding Dock | Burnett | NO | Patrick Anderson, 715-416-5020 | \$6,962.50 | \$6,962.50 | The Village of Siren proposes to use Recreational Boating Facilities funding to replace the boarding dock on Clear Lake. |
| WIND LAKE MANAGEMENT DISTRICT | Wind Lake Management District Aquatic Plant Harvester & Trailer Acquisition | Racine | SE | Jessica Terrien, 920-461-2680 | \$55,230.00 | \$55,230.00 | Wind Lake Management District will utilize Recreational Boating Facilities grant funding for the purchase of a new aquatic plant harvester and trailer for use on Wind Lake. |
| Total Awards: 35 | | Total \$ awarded in time period listed above: \$3,484,330.85 | | | | | |
