Notes about launch fees:

- The governance of launch fees is covered under section NR 1.91(11), Wisconsin Administrative Code.
- All fees listed above use the \$13.00 maximum Base Fee, which is based on the \$13.00 Daily State Park Entrance Fee for residents. You may set a lower Base Fee based upon local needs. Section NR 1.91(11)(e), Wis. Adm. Code, requires that before a local unit of government adopts a launch fee exceeding \$13.00, it must submit the fee schedule to the Department for approval and include information demonstrating: (a) that it maintains facilities or services that justify charges exceeding \$13.00; and (b) that season passes are available.
- Fees collected by the operating authority shall be used only for the operation and maintenance of boat launching facilities.
- Parking is included with launch fees. Segregated fees for parking are not allowed.
- If a launch fee is charged, a season pass at a fee not to exceed 10 times the daily fee shall be provided for both residents and non-residents.
- In no case shall the fee charged a non-resident exceed 150% of the fee charged a resident.

*Tax rate used = 5.5%. An operating authority may incorporate the state sales tax into the Base Fee for ease of collection, but must pay the sales taxes collected to the Wisconsin Department of Revenue.
