#7	Lincoln	Lincoln County proposes to relocate a 0.25-mile portion of trail on the North Loop system due to steep topography and erosion. The new segment will be 0.33 mile in length (increase of 0.1 mile for maintenance) and will use an existing logging road for a portion. Work will include tree removal, grading, stumping, graveling, installing a culvert, and decommissioning the old trail segment. The County proposes to split a portion of this work with Snow grant funds.	*Structure		\$20,137		<i>ORV proposes that Snowmobile cover 50%. Region	County	Description	Component	Costs	Total	Approved	Question/Answer
#30	Jackson	The Jackson Co Parks Department has received a number of complaints from Township Officials and WISDOT staff that sand, mud and gravel are being deposited on public ATV /UTV trail crossings in Jackson County. Jackson County and the Black River Area Chamber of Commerce paid for paved aprons on a crossing in 2021 and the apron eliminated deposition of material on the roadway. Jackson County requests \$100,000 to pave 10 additional crossings (20 total aprons) in the first phase of the project. All crossings will be done in the Town of Brockway in phase one. Split 50/50 with RTP.	*Structure	\$100,000	\$100,000		<i>Why 50' x 20'? Could some be 14'w x 20'l, which is DOT's guidance? 2022-2023 ATV NEW SUMMER TRAIL REQUESTS

Region	County	Description	Component	Costs	Total	Approved	Question/Answer																								
#40	Vilas	<p>NHAL Lost Creek to K: Vilas County proposes to develop a new 7.5-mile ATV/UTV summer trail from Lost Creek Rd to CTH K. The trail will follow existing snowmobile trails (club trail and Trail 7) and provide a major connection from Sayner to the Star Lake area. Additionally, CTH K could be opened in this area, connecting the county system to the east (Landover trails and Torch Lake Campground). Work would include grading, installing large material in low areas, installing a gravel base in sandy areas, and armoring portions of hills to prevent erosion.
