#12	Oconto	Oconto County proposes to blacktop at grade approaches along the Nicolet State Trail at CTH H, CTH V, CTH AA, and CTH W. The county will reestablish the drainage ditch south of CTH AA to fix water flow between Dump Rd and Becker Rd using the existing culvert. RTP applied for, but not selected	Approaches	\$21,850	\$21,850		Approach size - Approaches will be 30' by trail width. Width varies slightly because some town roads are routes, so those are wider up to 16 ft accommodate riders turning left or right. Drainage ditch repair - Grading has pushed gravel into the ditch line causing water to carry to the culvert and filling the culvert with material. ATVers spin their tires, do donuts and other reckless driving causing material to be kicked off the trail and into the surrounding landscape which fills ditch lines for water flow. Also, snow melt does cause some erosion of material into the ditch

2021-2022 ATV NEW SUMMER TRAIL REQUESTS

Region	County	Description	Component	Costs	Total	Approved	Question/Answer
NOR	Vilas	Vilas County proposes to develop a new 0.6-mile ATV/UTV summer trail from McKinley Blvd to Chain O Lakes Rd near Eagle River. The trail would utilize the existing snowmobile Trail 17. A new bridge would need to be built to cross a wetland area. The new bridge would be 12' x 460' made up of 23 x 20-ft sections. The County has also applied for Snow funds for 50% of the bridge costs.	*Structure	\$379,000	\$855,456 After Cost Share: \$431,706		<i>Will WMS allow this? Is there a road route option? -- DNR WMS has done a prelim inspection. Further justification has been added to the application.</i>

2021-2022 ATV NEW WINTER TRAIL REQUESTS

Region	County	Description	Component	Costs	Total	Approved	Questions/Answers							
NOR	Taylor	Taylor County proposes to develop two new ATV winter trails. The first is a 1-mile trail reroute (net gain of 0.8 mile) as a result of losing a private land easement, near Stetsonville and CTH A. The second is the 11.7-mile Price-Taylor connector snowmobile trail. Both trails are fully constructed and do not include any water crossings that require bridging. The trails are shared with snowmobiles. This request is for new winter ATV maintenance funds only.	*Structure Engineer Gravel Permits/Erosion Materials Culverts Riprap Labor Equip Rental Gates			\$0 After Cost Share: \$0
