## USE OF GRANT FUNDS

### Competitive Procurement

Determine procurement method required for your project by reviewing grant agreement conditions: General Condition 8.e. “Bidding” and Special Conditions B.5.a – b. Another useful tool is the “Procurement Guide for Local Governments Receiving DNR Grants”. A complete version of this guide can be found on the FFP grant program website. Secure quotes (if not previously done). Catalog pages, internet pages, and documented telephone contacts are acceptable. Solicit bids, if applicable. Keep a copy of all quotes and/or bid information in the fire organization’s grant file for future inspection.

### ASAP

- Order your equipment from vendor of your choice. *If you are ordering from the DNR’s Forestry Equipment R& D Center at Tomahawk (formerly the LeMay Forestry Center), place your order as soon as possible to avoid backorders.*
  - Website: [DNR Forestry Center FFP Grant Eligible Catalog](#)
