This section will be completed by DNR.

Additional information

After the final approval is made, the check payable to the claimant will be mailed directly to the claimant if invoice was paid in full. Otherwise, it is assumed that the well professional was not paid and the claimant's check will be sent to the well professional. You both get the same letter at the same time but the well professional has the claimant's check in hand. It is up to you the claimant to pay all remaining costs not covered by the grant.

Note, for income tax filing purposes, awards to individuals are considered "other income" by the Department of Internal Revenue Service (IRS). The Department of Natural Resources is required by the IRS to send a 1099G for tax filing purposes as a result of payment for this grant award claim. If the claimant is concerned with how the receipt of the payment might affect their standing to receive food stamps, Medicare, or other such services or programs, the claimant may wish to check with a representative of that program, social worker or other such person. Additional information regarding income tax issues can be obtained at www.irs.gov or the IRS hotline # 1-800-829-1040
