¹ Phosphorus Priority PF allocation is tentative pending phosphorus reduction review.

² Municipalities allocated \$2,100,000 in general PF - the maximum general PF allowed for a single municipality.

³ Project is last on funding list to be allocated general PF. Project is allocated the remaining PF amount and may be eligible to receive more PF if it becomes available.

⁴ Federal Equivalency Project

⁵ Green Tier Legacy Community - eligible for an additional 10% PF.

⁶ Emerging Contaminant Project. Includes 30% loan match for the 70% EC PF award. Per statute, only up to 70% of the financial assistance can be in the form of PF.

⁷ Project hit 70% maximum PF cap with regionalization PF; therefore, no general PF has been allocated.

⁸ \$34,769,283 was available for general PF and regionalization PF. This money is first allocated to regionalization projects. Then to projects that qualify for general PF.

In addition, \$250,000 is available as energy efficiency PF. No projects have received a Focus on Energy incentive at the time of application; the energy efficiency PF will be allocated on a first-come, first-serve basis after receipt of the Focus on Energy Award/Reservation documentation

⁹ Project is allocated the remaining loan money for SFY25. No additional loan money will roll down the funding list.
