¹ The Self Score does not include Financial Need points. If the municipality submits an application for funding, 15% of the municipality's principal forgiveness (PF) points will be added to the PERF Score to take into account financial need. These additional points will be reflected on the funding list.

² Any municipality with a population of 20,000 or greater will have all of its projects designated as federal equivalency in State Fiscal Year 2027. In addition, all emerging contaminants projects and LSL projects are designated as federal equivalency. Visit <https://dnr.wisconsin.gov/aid/federalEquivalency> for information on federal equivalency requirements.

Emerging Contaminants Project Types
