General

After the emissions calculator has been run successfully, an estimate of air environmental fees can be created.

- This is an estimate, not a bill, and should not be paid.
- The report provides an estimate of fees broken down by pollutant, permit type and facility type.
- It also lists basic facility and contact information including addresses, phone numbers and emails.

Generating the Facility Fees Detail report

1. In the blue column on the left, click *Emissions & Billing, QA, Summary Reports, Certification and Under-Thresholds-Notification (UTN)*.

Air Emissions Inventory (EI) Reporting Calendar

- March 1, 2021 - EIs or Under-Thresholds-Notifications (UTNs) are due.
- April 1, 2021 - Facilities notified through email that EIs or UTNs are overdue.
- By May 31 2021 environmental fee statements are emailed to facilities or mailed if no email address is available.
- June 30, 2021 - Environmental fees payments and certifications are due.

EI Reporting Basic Steps

1. Review, revise and save the facility info including completion the Environmental Management System (EMS) questionnaire.
2. Review contacts info. If changes are needed, only people previously associated with the facility can be assigned

Generating the FACILITY FEES DETAIL report

2. On the ARS Summary Data page on the Emissions & Billing tab, click *Billing/Fees Details*.
