

**BEFORE THE
DEPARTMENT OF NATURAL RESOURCES
NOTICE OF PUBLIC INFORMATIONAL MEETING**

The Department of Natural Resources (DNR) will hold a public informational meeting to review Wisconsin's ambient air quality monitoring network.

On May 10, 2024, the Air Management program made available for public review and comment the federally required "[Wisconsin Department of Natural Resources 2025 Air Monitoring Network Plan](#)." Wisconsin is required to submit an annual network plan to the Environmental Protection Agency (EPA) that shows the siting and operation of each monitor meets the requirements of 40 CFR Part 58. The plan proposes DNR recommended changes to the ambient monitoring network based on monitor history, population distribution and modifications to federal monitoring requirements. Responses to the plan are gathered through public comments, a public meeting and EPA response. This plan certifies that the state has met all federal ambient air monitoring requirements.

The DNR will hold an online public informational meeting to review the ambient air quality monitoring network on:

Wednesday, May 29, 2024
At 12:00 pm – 1:00 pm
Join Zoom Meeting
<https://us02web.zoom.us/j/84154337907>

Dial in: **1-833-928-4608** US Toll-free
Meeting ID: **841 5433 7907**

At the May 29, 2024 public meeting, DNR will review the changes that occurred previously, present an outline of proposed changes for 2024 and 2025 and take public comment on Wisconsin's 2025 Air Monitoring Network Plan.

Written comments on the monitoring network may be submitted no later than June 10, 2024 to:
Katie.Praedel@Wisconsin.gov

Or by mail:
Ms. Katie Praedel,
c/o Air Monitoring Section, Air Management Program,
P.O. Box 7921,
Madison, WI 53707-7921,

Written comments will have the same weight and effect as oral comments presented at the meeting.

A copy of the proposed revision to the Monitoring Plan and related appendices are available for public review at the following web address: <https://dnr.wisconsin.gov/topic/AirQuality/Monitor.html>
