

General Questions and Answers –Turtle Lake

Questions and Answers

1. Can the Wisconsin DNR provide a map to show the boundaries of the site? There appears to be some inconsistency in the provided address and information provided on BRRTS on the Web and RR Sites Map.

The subject site includes tax parcels 186-8046-10-000 (0.901 Acres) and 186-8046-11-000 (0.136 Acres).

An updated map is attached that more clearly depicts the targeted area.

2. What type of planning studies or other redevelopment documents have been previously completed?

No planning studies or other redevelopment documents have been prepared for the properties. A Comprehensive Plan for the Village of Turtle Lake was adopted on August 17, 2020.
