NOTICE TO PROCEED ANTICIPATED: March 6, 2020

Sealed bids will be received at the Wisconsin Department of Natural Resources, Bureau of Finance, at the address of the BIDDING OFFICER. Sealed bids shall be labeled "Confidential Bid Enclosed" with the Project Name, BRRTS Number, and Project Number clearly identified and must be received prior to the above stated BID OPENING. All sealed bids submitted require inclusion of a 10% bid guarantee or bid bond as indicated in the Contract Document.

In general the work consists of the following items:

Contaminated sediment removal project for the Portage Canal from Adams Street to approximately 100 feet downstream of the Canadian Pacific Railway bridge near Center Street. Site activities will consist of razing existing structures at the Remediation Support Area, site preparation and staging areas, sediment removal, dewatering (as necessary), transport, and disposal of contaminated sediment and placement of cap and cover material within the Canal, placement of fill for a multi-use path and extension of City storm sewers. Coincident activities will consist of surface water management and protection of surrounding structures and pavement.

The work under this contract shall begin upon the DNR's execution of a contract and issuance of a written notice to proceed. As described in the technical specifications, the work shall include preparation and submittal of various Contractor work plans, including a proposed schedule. These documents will be reviewed and must be approved by the DNR; they will also be used by the DNR to obtain final project permits. Following receipt of necessary permits and Department's issuance of notice to proceed with construction, the Contractor shall expeditiously mobilize and begin field activities.

A mandatory Prebid Conference and Site Inspection have been scheduled, at the Portage City Hall, 115 W. Pleasant Street, Portage, WI. The mandatory inspection of the site will follow immediately after the Prebid Conference. Failure to attend the Prebid Conference or Site Inspection will result in rejection of the Bid.

Any and all questions concerning the Project or Bidding Documents must be submitted in writing to the BIDDING OFFICER by the indicated QUESTION DEADLINE. The DNR expects that Prebid Conference information and responses to questions will be emailed to vendors by DNR QUESTION RESPONSE DATE. **NO QUESTIONS WILL BE ANSWERED BY TELEPHONE.** Contract Documents are available at this website <https://dnr.wi.gov/topic/brownfields/publicnotices.html>.
