Introductions

- Agenda repair
- Summary last meeting

Funding Gaps – White Paper Vapor Intrusion

- Discuss and Work on Paper
- Funds to address sites without a viable responsible party, costs that may include:
 - Source identification (soil, groundwater, and vapor investigations)
 - Protection of building occupants (design, installation, and commissioning of vapor mitigation systems)
 - Vapor mitigation operation, monitoring and maintenance costs (pre- and post-case closure)
 - o Source cleanup/reduction to reduce or eliminate need for vapor mitigation.
 - Long Term Stewardship of mitigation systems

Funding Gaps – Additional Priority Gaps for further white paper development
