## **Meeting Information**

The attendees were welcomed to the Langlade County CCO meeting which consisted of discussing the NFIP, Hazard Mitigation, a project overview, and covering next steps in the project. Introductions were made, the meeting materials were presented, and there were questions accepted throughout the presentation. There were representatives from Langlade County and Village of White Lake.

Chris Olds started out with a few housekeeping items for the virtual meeting and then introduced state and FEMA staff. Sarah Rafajko then covered the part of the presentation related to the NFIP and flood insurance. Heather Thole from Wisconsin Emergency Management (WEM) covered Hazard Mitigation. Chris covered an overview of RiskMAP and the project history to date. He then went into the next steps of the project related to Due Process, LFD, SOMAs, and final map production. Chris Olds covered the floodplain engineering portions of the project.
