### **Meeting Information**

The attendees were welcomed to the Sheboygan County CCO meeting which consisted of discussing the NFIP, a project overview, and covering next steps in the project. Introductions were made, the meeting materials were presented, and there were questions accepted throughout the presentation.

Emily Szajna started out with a few housekeeping items for the virtual meeting and then introduced state and FEMA staff. Emily covered an overview of RiskMAP and the project history to date. Ken Hinterlong covered the Great Lakes Coastal Flood Study. Frank Shockey discussed coastal development requirements. Brian Cunningham then covered the part of the presentation related to the NFIP and flood insurance. Emily then went into the next steps of the project related to Due Process, LFD, SOMAs, final map production. DNR gave a demo of the Flood Map Changes Viewer to the meeting participants and questions were answered.
