

Lake Superior Open Water Gill Net Application and Permit

Form 3600-534 (R 4/15)

Notice: Completion of this form is optional, but is required if you want to apply for a permit under s. NR 25.09(6), Wis. Adm. Code. Section NR 25.9 (1) 6., Wis. Adm. Code, prohibits placement of gill nets in the waters of Lake Superior from a boat or watercraft from January 15 through March 31, unless authorized by DNR Permit. DNR may issue a permit if it determines that open water conditions exist and weather forecasts predict that there will be adequate time to recover the nets prior to ice formation.

I hereby apply for a permit to place nets in the waters of Lake Superior from a boat or watercraft from January 15 through March 31 during times of open water.
