HOW TO: Submit a Spring Turkey Application on Go Wild

STEP 1: Log into your Go Wild account

- **Visit the website** gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the Help me decide link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the Edit icon. If everything is correct, select the Yes button.
