HOW TO: Purchase a Wisconsin Deer License on Go Wild

STEP 1: Log into your Go Wild account

- **Visit the website** gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the Help me decide link. **Note:** To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the Edit icon. If everything is correct, select the Yes button.
STEP 2: Select your license/application product

- **Customer Homepage.** Locate the License Catalog section and select the SEE PRODUCTS button.

- **Product Catalog.** Select the Hunt/Trap tab at the top, and then select the appropriate Deer License from the Product List (in this example, a gun deer license is chosen, but the process is the same).

- **Add-on Options.** The Farmland (Zone 2) Antlerless Harvest Authorizations are offered as a free add-on. The box will be auto checked for you. Uncheck the box if you do not want the antlerless farmland authorization.

- **Farmland (Zone 2) Antlerless Harvest Authorizations.** Select the county (Management Zone/Unit) you desire for your Farmland (Zone 2) Antlerless Harvest Authorizations (use the map link to see the deer management zones). Only Farmland Zones will show on the list. Once the county is selected, designate the land type (public or private land) for each harvest authorization. Select Add to Cart when finished.
STEP 3: Make payment and print your receipt/license
