

HOW TO: Purchase a Junior Deer License in Go Wild

STEP 1: Log into your Go Wild account

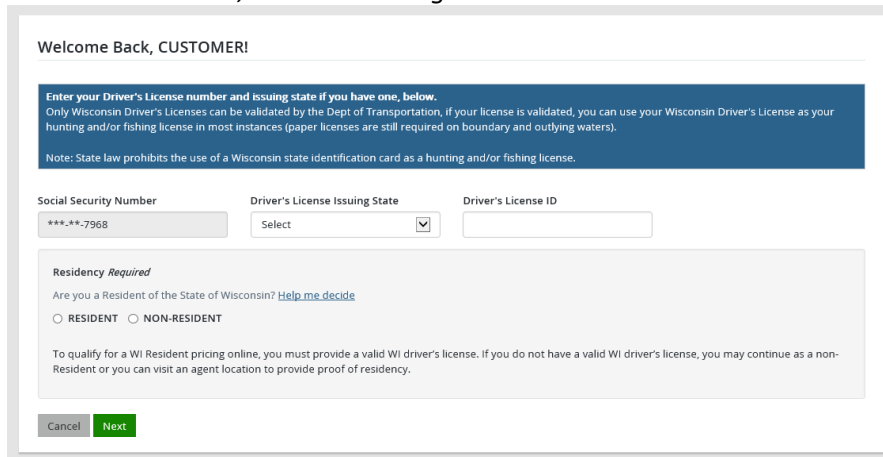

- **Visit the website gowild.wi.gov.** If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

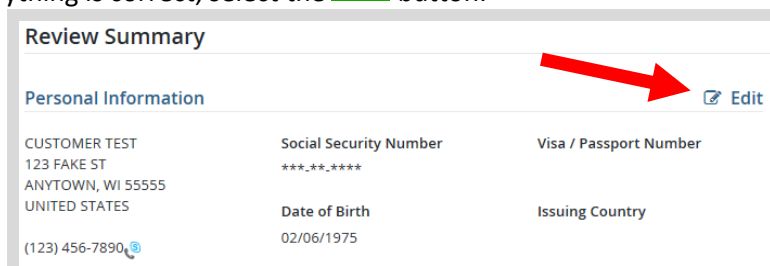

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the [Edit](#) icon. If everything is correct, select the [Yes](#) button.

STEP 2: Select your license/application product

- **Customer Homepage.** Locate the License Catalog section and select the **SEE PRODUCTS** button

- **Product Catalog.** Select the Hunt/Trap tab, and select the Deer License (Junior) from the Product List.

- **Add-on Options.** A Junior Deer license comes with a statewide Junior Antlerless Deer Harvest Authorization. You must still select the land type (public or private). The Farmland (Zone 2) antlerless harvest authorization add-on will also be checked for you. You will indicate the unit and land type choices for that on the next screen.

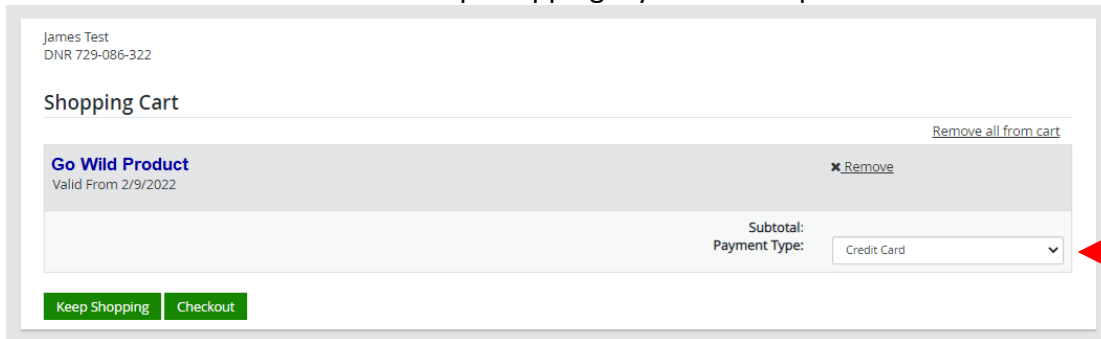

The screenshot shows the 'Gun Deer License (Junior, Resident)' form. It includes sections for 'Included with the product' (Jr Antlerless Deer Harvest Authorization) and 'Add-on No Cost' (Farmland (Zone 2) Antlerless Harvest Authorization, which is checked). There are also 'Add-on At Cost' options. Red arrows point to the 'Public' and 'Private' radio buttons under the 'Land Type Required' section.

- **Farmland (Zone 2) Antlerless Harvest Authorizations.** Select the county (Management Zone/Unit) (use the map link to see the deer management zones). Only Farmland Zones will show on the list. Once the county is selected, designate the land type (public or private land) for each one.

The screenshot shows the 'Farmland (Zone 2) Antlerless Deer Harvest Authorization' form. It includes a 'Price: \$0.00' section, a 'MAP' link, and a 'Please select a management unit for your antlerless Farmland (Zone 2) harvest authorizations' section. The 'MILWAUKEE' dropdown is selected. Below, there are 'Land Type Required' sections with 'Public' and 'Private' radio buttons. Red arrows point to the 'MAP' link, the 'MILWAUKEE' dropdown, and the 'Public' and 'Private' radio buttons.
