Editing Submitted Species Applications and Viewing Preference Points

Information

Customers that submitted a species application can view and edit their choices up until the application deadline. Customers can also review all preference point history and when they need to apply by to maintain their preference points.

Instructions for Editing Applications

1. Visit **Go Wild [https://gowild.wi.gov]**. If you need assistance logging into your account, please see the Logging Into Your Individual Account tutorial.

2. Dashboard – Click on **Manage Your Licenses**, in the 'License History' tile.

3. Review your current year purchase history. Application choices are viewed under the product name.

    a. The **Edit** button displays in the action section, if the application deadline has not passed.
