

HOW TO: Purchase a Spousal Fishing License on Go Wild

Note: If you or your spouse are 65 or older it is cheaper for you to purchase your fishing licenses separately. The Secondary spousal for \$0 is only available if your spouse purchased the spousal primary for \$31.

STEP 1: Log in / create your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the "Account Lookup" option to search for your account or create a new account if necessary.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- **Welcome Back!** Enter your Driver License/State ID issuing state and ID number. If you do not have that information, leave both fields blank. Note: To qualify for resident licenses, all customers age 18 and over must include a WI Driver License/State ID number. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the Help me decide link.

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the  Edit icon. If everything is correct, select the  button.

STEP 2: Select your license/application product

- **Homepage.** Locate the License Catalog section and select the **PURCHASE PRODUCTS** button
