HOW TO: Purchase a Spousal Fishing License on Go Wild

Note: If you or your spouse are 65 or older it is cheaper for you to purchase your fishing licenses separately. The Secondary spousal for $0 is only available if your spouse purchased the spousal primary for $31.

STEP 1: Log into your Go Wild account

- **Visit the website** [gowild.wi.gov](http://gowild.wi.gov). If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- **Welcome Back!** Enter your [driver license](https://www.wi.gov) information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the **Help me decide** link. Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the **Edit** icon. If everything is correct, select the **Yes** button.
STEP 2: Select your license/application product

- **Customer Homepage.** Locate the License Catalog section and select the SEE PRODUCTS button.

- **Product Catalog.** Select the Fish tab at the top, and select the Spousal Annual Fishing License (Primary).

- **Adding the Secondary Customer.** You may add the Spousal Annual Fishing – Secondary to your license for no added cost. This box will be checked for you automatically. You may uncheck it if you wish to purchase the spouse license later. *Note: If the secondary customer has never purchased a hunt/fish license in Wisconsin before, it may be necessary to create a new customer account before starting this license.* This page also offers Add-on Products for the Primary Customer. Select any you wish to add.
• **Confirming the Secondary Customer.** Enter the Secondary customer’s date of birth in the field to the left, plus **ONE of the items on the right (DNR number, SSN, or Driver License number).** If you do not have this information at this time, you can hit the [Skip] button at the bottom and purchase the secondary license later in a different transaction for no cost. **NOTE:** *This page is where you choose the Add-on Products for the Secondary Customer. Select any items you wish to add for the secondary person.*
