

# HOW TO: Use your DNR GoWild account

## STEP 1: Log in / create your Go Wild account

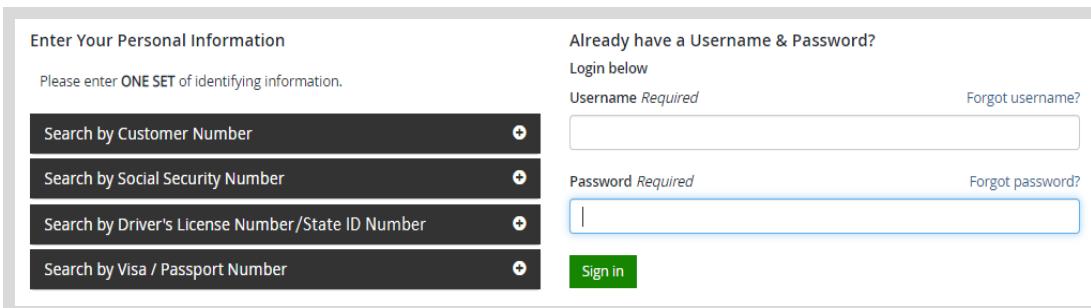

- **Visit the website [gowlid.wi.gov](http://gowlid.wi.gov).** If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

The screenshot shows the desktop version of the GoWild login page. At the top, there is a navigation bar with links for "License Fee Info", "Rec Vehicle Info", "Harvest Reporting", "Make a Donation", "Quick Sale", and "Account Lookup". The "Account Lookup" button is highlighted with a red arrow. Below the navigation bar is the "go WILD" logo. The main form has fields for "Username" and "Password", each with a "Forgot username?" and "Forgot password?" link. Below these fields is a link "Don't have one? Create a new account or use Account Lookup". A green "Log In" button is at the bottom right of the form.

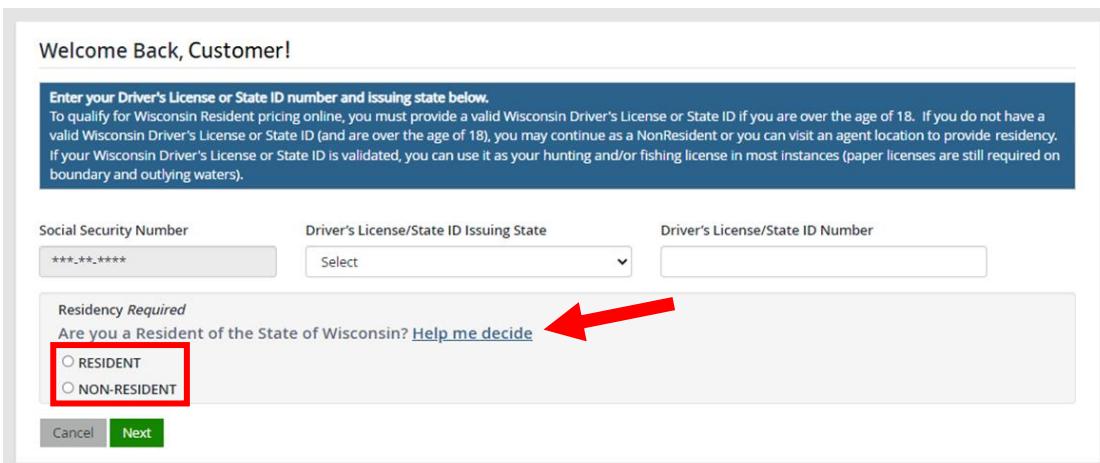

- **Mobile Users** who haven't created a username/password may access the account look-up options by selecting “Account Lookup” under the username section or select the  icon to display the “Account Lookup” button.
- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left (enter only numbers without any punctuation). Or enter your username and password for your account if you have already created one.

The screenshot shows a search interface for personal information. On the left, there is a section titled "Enter Your Personal Information" with a note: "Please enter ONE SET of identifying information." It contains four dropdown menus: "Search by Customer Number", "Search by Social Security Number", "Search by Driver's License Number/State ID Number", and "Search by Visa / Passport Number". On the right, there is a section titled "Already have a Username & Password?" with "Login below" and fields for "Username Required" and "Password Required", each with a "Forgot username?" and "Forgot password?" link. A green "Sign in" button is at the bottom right.

- **Welcome Back!** Enter your Driver License/State ID issuing state and ID number. If you do not have that information, leave both fields blank. *Note: To qualify for resident licenses, all customers age 18 and over must include a WI Driver License/State ID number.* Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the Help me decide link.

The screenshot shows a mobile "Welcome Back, Customer!" screen. At the top, it says "Welcome Back, Customer!". Below that is a note: "Enter your Driver's License or State ID number and issuing state below. To qualify for Wisconsin Resident pricing online, you must provide a valid Wisconsin Driver's License or State ID if you are over the age of 18. If you do not have a valid Wisconsin Driver's License or State ID (and are over the age of 18), you may continue as a NonResident or you can visit an agent location to provide residency. If your Wisconsin Driver's License or State ID is validated, you can use it as your hunting and/or fishing license in most instances (paper licenses are still required on boundary and outlying waters)." Below this note are three input fields: "Social Security Number", "Driver's License/State ID Issuing State" (a dropdown menu), and "Driver's License/State ID Number". At the bottom, there is a section titled "Residency Required" with the question "Are you a Resident of the State of Wisconsin? Help me decide". Below this question are two radio buttons: "RESIDENT" and "NON-RESIDENT", with "RESIDENT" being selected and highlighted with a red box. At the very bottom are "Cancel" and "Next" buttons.
