HOW TO LOG INTO AN ORGANIZATION ACCOUNT ONLINE

STEP 1: Log in / create your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

- Search for your account - First find your account by selecting the “Organizational Account Search” button.
• **Search by Customer Number.** You will need your customer number for your business. Enter it and the first 3 letters of your organization name. Select the “Submit” button when finished.
  o **Dealers:** The customer number is the same as your Dealer ID. This number can be found on your dealer renewal notice; ATV/UTV, OHM and snowmobile dealers may find this number on the dealer certificate.

• **Manage Account Security.** 1) Once your account is found, enter a unique **username** that you will use to log into your account in the future. 2) Create a **password** and enter it twice for confirmation. 3) Create a **Security question and answer.** This is used as a security measure should your username or password become “locked”. Use the guidelines listed on the page to create these items. Select “Save Changes” when finished.
