

HOW TO: Complete your registration in Go Wild

STEP 1: Log into your Go Wild account

- **Visit the website gowild.wi.gov.** If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “**Account Lookup**” option to search for your account or create a new account if necessary.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account, if you have already created one.
