

# HOW TO: Add a username/password to your Go Wild account

## STEP 1: Log in / create your Go Wild account

- **Visit the website [gowild.wi.gov](http://gowild.wi.gov).** If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

Username *Required* [Forgot username?](#)

Password *Required* [Forgot password?](#)

**Sign in**

- **Welcome Back!** Enter your Driver License/State ID issuing state and ID number. If you do not have that information, leave both fields blank. *Note: To qualify for resident licenses, all customers age 18 and over must include a WI Driver License/State ID number.* Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link.

Welcome Back, Customer!

Enter your Driver's License or State ID number and issuing state below.  
To qualify for Wisconsin Resident pricing online, you must provide a valid Wisconsin Driver's License or State ID if you are over the age of 18. If you do not have a valid Wisconsin Driver's License or State ID (and are over the age of 18), you may continue as a NonResident or you can visit an agent location to provide evidence of residency.  
If your Wisconsin Driver's License or State ID is validated, you can use it as your hunting and/or fishing license in most instances (paper licenses are still required on boundary and outlying waters).

- **Customer Homepage.** Select the link to **Choose Username/Password** at the top left of the screen.

- **Manage Account Security.** 1) Enter a unique **username** that you can use to log into your account in the future. 2) Create a **password** and enter it in twice for confirmation. 3) Create a **Security question and answer**. This is used as a security measure should your username or password become “locked”. Use the guidelines listed on the page to create these items. Select **Save Changes** when finished.

**Manage Account Security**

**Create Username and Password**

Your Username must be between 5-20 characters and consist of letters and/or numbers.

Username *Required* **1**

Your Password must be between 7-20 characters and MUST contain a combination of letters and either numbers or special characters (except the "@" sign). Passwords and Security Answers are case sensitive.

Create New Password *Required* Confirm New Password *Required* **2**

**Update Security Question**

Security Question *Required*

Security Answer *Required* **3**

**Congratulations!** You have successfully created a username/password for your Go Wild account. You now have an additional option to log into your account in the future (see image on step 2 of these instructions). Make sure to secure your username, password, and security answer to make it available for future use.
