HOW TO: Purchase a Small Game License in Go Wild

STEP 1: Log into your Go Wild account

- **Visit the website** [gowild.wi.gov](http://gowild.wi.gov). If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- **Welcome Back!** Enter your [driver license](http://www.wisconsin.gov) information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](http://help.wi.gov) link. **Note:** To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the [Edit](http://www.wi.gov) icon. If everything is correct, select the [Yes](http://www.wi.gov) button.
STEP 2: Select your license/application product

- **Customer Homepage.** Locate the License Catalog section and select the *SEE PRODUCTS* button.

- **Product Catalog.** Select the *Hunt/Trap* tab at the top, and select the *Small Game license* product.
