HOW TO: Purchase a license for Goose Hunting

STEP 1: Log into your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

- Access your Account - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

- Welcome Back! Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the Help me decide link. Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.

- Review Summary. Check your personal information for accuracy. If changes need to be made, select the Edit icon. If everything is correct, select the Yes button.
STEP 2: Select your license/application product

- **Customer Homepage.** Locate the License Catalog section and select the **SEE PRODUCTS** button.

- **Product Catalog.** Select the Hunt/Trap tab at the top, and select the Small Game license under the Product List.

- **Small Game add-ons.** The next screen shows the license selected, the price, and the option for add-ons:
  - HIP Survey is required if you plan on hunting any migratory game birds (ducks, geese, woodcock, rails, moorhens, coots or snipe).
  - The State Waterfowl and Federal Duck Stamps are required for any hunters 16 years or older who wish to hunt waterfowl (ducks or geese). **IMPORTANT:** Hunters less than age 16 do not need either stamp.
  - Select Add to Cart when finished.

- **HIP certification** - If HIP certification was selected, you will be asked a series of questions. This info is used to calculate harvest from the previous year and help determine the regulations for next year.
• **Shopping Cart.** Your items have been added, but more items are required if you wish to hunt the early and/or regular season goose seasons. From the shopping cart, select the **Keep Shopping** button.
